PENAL CHARGES AFTER EXPIRY OF DUE DATE:

Permitted ROD will be charged for exposure on factored invoices upto due date plus 7 days grace period.

Exposure on IBCP Invoices: Penal Charges @1% will be charged over and above the permitted ROD for the Invoice Beyond Credit Period (IBCP) period.

Exposure on OD Invoices: Penal Charges @2% will be charged over and above the permitted ROD for the Overdue (OD) period.

Exposure on PD Invoices: Penal Charges @3% will be charged over and above the permitted ROD for the Past Due(PD) period.

Factoring Charges: to be charged at 0.25% of the value of invoice with a minimum of Rs.100/- per invoice.

RE-ASSIGNMENT CHARGES : This is levied as and when the factored invoices are re-assigned in favour of the Client. At present, re-assignment charges are levied at 0.50% with a minimum of Rs.100/- per invoice on the account of reassigned, if the invoice remain unpaid until 180 days from the date of invoices.

Processing Charges: This is a charge levied in connection with the work relating to processing of an application / proposal for factoring. Processing charges will be collected in advance. In case of rejection of a proposal or when a reduced limit is permitted by the sanctioning authority than what has been recommended by the Branch, then processing charges will be refunded to the Client proportionately. This is charged based on Slab System with fixed amounts depending on the **Prepayment limit** sanctioned.
